Please Join Us

Kindergarten children and their parents/guardians are invited to join us for an interactive information evening. Families will learn about:

- What children learn in literacy and math in kindergarten
- Physical Education and Wellness in kindergarten
- How to prepare for kindergarten
- Enhanced supports available in kindergarten
- Janet Johnstone School culture and activities

We will begin in the school gymnasium for introductions and key messages at 6:00PM. After that, families can explore different stations throughout the school.
